GUIDE & TEACHER

LEARN TO READ THE WATER

Newer to fly fishing? David teaches as he guides. He's there to educate, not just to put you on fish.

RIVER HYDROLOGY

How current moves, where trout hold, and why

ENTOMOLOGY

What bugs are hatching, and how to match them

*Simple, effective flies David ties himself, including his signature fly, **The Real McCoy**.*

STARLINK MINI

Stay connected. David keeps a Starlink Mini at camp for internet beyond cell service.

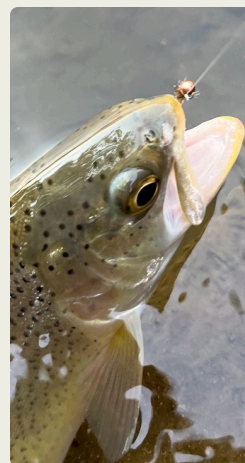

Scott

Centric fly rods available

Fast-action, light in the hand and accurate.

YOU WILL NEED

■ Fishing license ■ Bear spray ■ Bear bell

/// He walks you through the setup of the rig and fly choice as well as reading the water, teaching you every step of the way." — DARREN

/// ...what really sets him apart is how much he teaches along the way...helping you become a better angler instead of just putting you on fish." — MATTHEW
